Accessioning

The Center received 130 cubic feet of records from ORR and OCR / SR to be stored in the OCI grilled area. There is still more than 60 cubic feet of records to be transferred. These remaining records will be transferred by the Center's Couriers, who have been cleared to handle OCI material.

Reference

A graph showing the reference activity and reproduction service on information reports is attached.

General

The inventorying and reboxing of finished intelligence in supplemental distribution is moving along very nicely. Project is 60% complete.

The Center is presently reclassifying OCR documents in accordance with Agency and Defense Department Regrading Bulletins.
